## **Listed are the steps taken by the HA (Housing Authority) to meet the goals for which the law was enacted:**

### **1.) Notification of rights:**

The HA developed and retains a brochure to explain applicant and tenant rights under the law for those wishing to use or are using housing assistance. Brochures will be maintained in the HA office and placed in briefing, leasing and add-on packets. Brochures will also be placed in landlord information packets and landlords will receive a copy of the brochure upon signing a lease with a Housing Choice Voucher Program tenant. **Applicants or participants under termination, eviction or denial will receive a copy of the VAWA brochure with all letters or notices concerning these actions.**

Upon disclosure from a victim of domestic violence, dating violence, sexual assault or stalking a brochure will be supplied and reviewed with the individual and, if applicable, the individual's family.

### **2.) Notification of available services:**

The HA developed and retains a listing of services available within the county to assist those victims of violence or stalking. This listing of services will be maintained in the HA Office, placed in briefing, leasing and add-on packets.

Upon learning of a victim of domestic violence, dating violence, sexual assault or stalking, a brochure will be supplied and reviewed with the individual and, if applicable, the individual's family.

### **3.) Customer service:**

The HA will meet, individually, with a victim prior to taking action against the abuser. At that time, the individual is notified of rights and available services, they will be advised of the requirements to take action against (terminate or evict) the abuser. The individual does have the right to make their own decision to have the authority take action on their behalf or, if they so desire, to remain with their abuser by withdrawing from the Housing Choice Voucher Program or by giving notice to vacate from their Public Housing Unit.

When meeting with the family concerning the domestic violence issue staff will:

- a. Separate them (if both the victim and the abuser appears) and meet with the abuser and an additional staff member;
- b. Prior history will be researched before the appointment time;
- c. The staff will determine if the victim is in fear of violence, etc. and call a resource agency for the victim.
- d. The staff will document what has been discussed, what has been done and the final outcome.
- e. The staff will report to the proper authorities if they feel a child/elderly person is being abused (Child Services or Adult Protective Services)

To terminate an abuser on the **Housing Choice Voucher Program** the Housing Authority will:

- Require the victim to fill-out the appropriate HUD certification concerning victim status or provide documentation of victim status.
- Complete the reduction process as required of all applicants/tenants.
- Send the appropriate termination papers (via certified and regular mail) to the abuser.  
(If no forwarding address has been provided, or is unknown, the termination notices will be mailed to the last known address)
- Mark the applicants/tenants file "disbarred" with the name of the abuser to ensure that the abuser, in the future, is not readmitted to the existing voucher.
- Place the abuser's name on the appropriate tracking system, based upon PHA policies, using the date of termination including an asterisk, name of the abuser, name of victim in parenthesis, and initials of the case manager.

To terminate an abuser on the **Public Housing Program** the Housing Authority will:

- Require the victim to fill-out the appropriate HUD certification concerning victim status or provide documentation of victim status.
- Complete the reduction process as required of all applicants/tenants.
- If a Public Housing Tenant abuser does not vacate of their own accord then the Housing Authority will begin the eviction process.
- Mark the applicants/tenants file "disbarred" with the name of the abuser to ensure that the abuser, in the future, is not readmitted to the lease.
- Place the abuser's name on the appropriate tracking system, based upon PHA policies, using the date of termination, including an asterisk, name of the abuser, name of victim in parenthesis, and initials of the case manager.

If the tenant requests a HUD required Certification form, in lieu of documentation, the form must be filled out within 14 business days of tenant's **receipt** of the certification form. Certification forms will be sent certified and first class mail. 1<sup>st</sup> class mail receipt date will be 10 calendar days after mailing.

If the tenant requests to provide other documentation of victim status that documentation must be received by the Authority within 14 days of the meeting date. The following is acceptable documentation of victim status:

- A written, signed statement from a victim SERVICE PROVIDER, MEDICAL PROFESSIONAL OR ATTORNEY that states: "under penalty of perjury, the provider believes the incidents in question were acts of domestic violence, dating violence, sexual abuse or stalking against the tenant" (or a member of the tenant's household) and the statement must name the abuser. The tenant must also sign the document.
- A police record that indicates the tenant (or a member of the tenant's household) is a victim of domestic violence, dating violence, sexual assault or stalking and that names the abuser.
- A court record (for example, a protective order) that indicates the tenant (or a member of the tenant's household) is a victim of domestic violence, dating violence, sexual assault or stalking and that names the abuser.

Any individual who violated the rules and regulations governing either the Housing Choice Voucher Program, or the Public Housing Program, by fleeing without notice will be re-housed (with the next available Public Housing unit in accordance with the Transfer Policy) or relocated with a new Voucher (portability only applies to the HCV Program), using either the HUD required Certification or verification of victim status. Their type of re-admission housing is based upon the program that they were participating on at the time.

The Housing Authority may still evict or terminate assistance for serious or repeated violations of a lease that are unrelated to the domestic violence, dating violence, sexual abuse or stalking incidents and will not hold a tenant to a more demanding set of rules than apply to tenant's who are not victims of the criminal activity mentioned within this policy.

***Victim status is kept completely confidential, including any addresses of a victim of domestic violence, dating violence, sexual abuse or stalking (per the law). However, the victim has the right to release such information by placing that request in writing. The HA also must disclose any information the court system may demand and the Public Housing Department may use any information needed in eviction cases (per the law).***
